Hi Dan,

Sorry, I had to leave suddenly for a funeral last week. I'll be dropping off the Animas samples on Thursday August 8, mid-morning.

Hi Thomas

Samples need to be delivered to the EPA Golden Lab, ESAT. Nick or Kelsey will be available to receive the samples.

Gentlemen

Thomas Chapin will be delivering ~120 water samples from the Upper Animas to the lab later this week (Thurs-Fri). Can I put him in contact with one of you two to take possession of the samples and log them in?

Please let me know as soon as you can.

Thanks
